## Inland Council

We are proud to have passed a #Motion4TheOcean!

The Motion for the Ocean is a blueprint to help all Councils, no matter how far inland, to take action for our Ocean. It was written by Ocean experts and has been passed by a growing number of Councils.

The burden of Ocean care should not only fall to coastal communities. We recognise that we have a role to play by being responsible stewards of the rivers that run through our area. In doing so, we are ensuring that our local environment, economy and communities benefit.
